Центр строительства	
 <p>The image shows a wooden shelf unit for a younger child's construction center. On the top shelf, there are several colorful stacking toys, including a yellow duck-shaped tower, two yellow bear-shaped towers, and a colorful cone-shaped tower. Below the top shelf, there are blue shelves containing a box of 'Лото' (Lotto) cards, a clear plastic bin filled with colorful blocks, and a red bucket. The bottom shelf has a row of yellow boxes and a red bucket.</p>	 <p>The image shows a wooden shelf unit for an older child's construction center. The top shelf features a red tractor, a green tractor, and a yellow car. Below the top shelf, there are several shelves with various toy vehicles, including a yellow car, a blue car, and a green car. A large, colorful mat with a city street pattern is on the floor in front of the shelves. The mat has buildings, roads, and a bus stop.</p>
Центр сюжетно-ролевых игр	
 <p>The image shows a play table set up for a role-play center. The table is covered with a patterned mat and has several toy dishes, including plates, cups, and saucers. A toy kitchen set with a pink and white stove and a red and white sink is positioned next to the table. The background shows a shelf with more toys and a window with red curtains.</p>	 <p>The image shows a role-play center with a wooden cabinet and a table. The wall behind the cabinet is decorated with large, colorful illustrations of animals: a rabbit, a bear, a donkey, a pig, and a bird. On the table, there is a dollhouse, a pink stroller, and other toys. The cabinet has shelves with various items, including a hat and a basket.</p>
